

## Sample Bequest Wording

Thank you for your interest in making a gift in your will to CANFRO.

If you are preparing a will for the first time, or making major changes to your current will, please discuss with your lawyer your intention to include CANFRO in your will.

If you wish to make a simple change to your current will, ask your lawyer to prepare a codicil. A codicil is a document that keeps your existing will intact and alters or adds items that you wish to change.

Sample wording for the gift of:

### **For a Specific Amount or Asset**

*I give to Canadian Friends of Oaxaca Inc. (Canadian Registered Charity #829434281RR0001), located at 341 Townsend Road, Stirling, Ontario, K0K3E0, the sum of \$ \_\_\_\_\_ (or an accurate description of the asset being given) for its general charitable purposes (or specify a particular CANFRO project).*

If you choose to support a particular CANFRO project, it may be helpful to include a clause similar to the following one, so that your gift can continue to be of use to CANFRO if conditions affecting the project change.

*If at some future time the CANFRO Board of Directors decides that it is no longer possible to use my gift for the purposes specified, the Board has the right to apply the gift for purposes they deem most appropriate in the circumstances.*

### **For a Residual Gift**

*I give to Canadian Friends of Oaxaca Inc. (Canadian Registered Charity #829434281RR0001), located at 341 Townsend Road, Stirling, Ontario, K0K3E0, for its general charitable purposes (or specify a particular CANFRO project) all (or \_\_\_%) of the residue of my estate (or retirement plan, financial account or insurance policy) once expenses are paid and other specific gifts have been satisfied.*

### **For a Contingent Gift**

*In the event that any of my named beneficiaries dies before me, I give to Canadian Friends of Oaxaca Inc. (Canadian Registered Charity #829434281RR0001), located at 341 Townsend Road, Stirling, Ontario, K0K3E0, for its general charitable purposes (or specify a particular CANFRO project)*
